In the event of unexpected rupture (loss of shell integrity), Mentor will provide replacement of a Mentor product of any size in the same style as the originally implanted product free of charge for the lifetime of the patient. Upon the surgeon's request, a different implant style may be selected (subject to a charge of the difference between product list prices).

† Operating room and anesthesia charges to be given payment priority. In order to qualify for financial assistance, you will need to sign a release before Mentor will make payment to you on your behalf.
